So what does THE FUTURE EMBRACE sound like about what a pumpkins/corgan fan would expect none of the above.. But from the advice of a friend, Corgan checked out local jazz fusion drummer Jimmy Chamberlin, who immediately landed the gig with his powerful, John Bonham-esque drumming style (one of the quartet's first shows was opening for Jane's Addiction).. After gigging around the Chicago area, the Marked soon relocated from Illinois to St.. He befriended guitarist James Iha and bassist D'Arcy, and the three started to play in bars and clubs around Chicago with a drum machine in place of a real drummer.. Like the Marked, the Pumpkins merged a dark alternative sound with metal, but also gave it a psychedelic and experimental twist.. Born on March 17, 1967, in Elk Grove, IL, Corgan's first true exposure to music came from his father, Bill Corgan, Sr.. Since asked to define 'Billy Corgan,' however, we should focus on the music world..
