Caporaljr - 2008-12-10 4:43 AM How did u created the checksum?What do u mean 'not normal checksum'? I am fighting w/ that for a few days already.. TOOLS > COMPUTE HASH and choose CHECKSUM (32bit) Dont fight anymore If you dont have the rights wepons!Best regards! But didt work.

Thanks For checksum, is easy Use an hex-editor (winhex for example) and make the checksum for the file you need.. Video the law of ueki plus sub indo moana music However, the rights to the series expired due to low sales.. Thanks For checksum, is easy Free download wince copy files rom Files at Software Informer.. Caporaljr - 2008-12-10 4:43 AM How did u created the checksum? What do u mean 'not normal checksum'? I am fighting w/ that for a few days already.. If you use, then once the editor is started, open the file inside the editor. Hey there I think we were in contact via email yes? I remember giving you the checksum.

Also, on the device itself, it does not function as a GPS or show me any WinCE functionality, all it does is put up a white screen, with a black progress bar that scrolls along the bottom from left to right and then stops.. It didn't want a normal checksum (someone helped me off the forums) When I plug it in to the computer via USB, it recognizes it as a Magellan RM 2000, but I can't connect to it or do anything from the computer.. Even that I have all the files I am sure there is a trick in this one I just cant find it.. If you use, then once the editor is started, open the file inside the editor And in the menu tabs choose.. Thanks For checksum, is easy Use an hex-editor (winhex for example) and make the checksum for the file you need.. TOOLS > COMPUTE HASH and choose CHECKSUM (32bit) Dont fight anymore If you dont have the rights wepons! Best regards! Edited by Asterix 2008-12-09 2:17 PM Posted 2008-12-12 7:33 AM #.. Posted 2008-12-12 8:08 PM # Mgrm2k - 2008-11-20 2:48 AM The winceimg bin is now loaded on the Magellan Roadmate 2000.. Any luck with the device since then?Posted 2008-12-12 8:10 PM # Caporaljr - 2008-12-10 4:43 AM How did u created the checksum? What do u mean 'not normal checksum'? I am fighting w/ that for a few days already.

I was doing exactly as you said, but no success My image file www caporal biz/gps/WINCEIMG.
